PROFESSIONAL SUMMARY

Results-driven Software Developer with 1+ year of experience, including a 6-month internship, specializing in designing, developing, and optimizing web applications. Skilled in ASP.NET MVC, SQL Server, and modern front-end technologies like React.js and JavaScript. Strong problem-solving abilities, team leadership skills, and a proven ability to quickly adapt to new tools and technologies. Passionate about delivering high-quality, scalable, and user-centric software solutions.

CORE COMPETENCIES

- **Languages & Frameworks:** C#, ASP.NET MVC, JavaScript, React Js, Node js, Express Js, Mongo DB, HTML5, CSS3
- **Tools & Technologies:** AJAX, jQuery, Bootstrap, Tailwind CSS, Postman
- **Database Management:** SQL Server, Stored Procedures, Query Optimization
- **Concepts:** Object-Oriented Programming, REST APIs, CRUD Operations, Performance Optimization
- **Soft Skills:** Communication, Team Collaboration, Time Management, Analytical Thinking

PROFESSIONAL EXPERIENCE

Safal Infotech – Software Developer

April 2024 – March 2025

- Designed and developed RESTful APIs using ASP.NET MVC and SQL Server stored procedures.
- Implemented CRUD operations with AJAX and jQuery to enhance UI responsiveness.
- Refactored and optimized .NET MVC codebase to improve application performance and maintainability.
- Developed and fine-tuned stored procedures and SQL queries for efficient data handling.
- Added new features, resolved bugs, and improved website performance across multiple modules.

INTERNSHIP

Excelsior Technologies – MERN Stack Developer

October 2025 – Present

PROJECTS

Weather App (React.js, HTML, Bootstrap)

- Integrated third-party weather APIs to display location-based forecasts.

News App (React.js, HTML, Bootstrap)

- Delivered real-time news updates from multiple sources with categorized UI.

Movie Finder App (React.js, HTML, Bootstrap)

- Built a search-based movie information system displaying cast, ratings, and release details.

EDUCATION

- **Master of Science in Information Technology (MSCIT)**

Bhakta Kavi Narsinh Mehta University

June 2024 – Present

- **Bachelor of Computer Applications (BCA)**

Bhakta Kavi Narsinh Mehta University

July 2021 – March 2024

ACHIEVEMENTS & HIGHLIGHTS

- Successfully resolved performance bottlenecks in live projects, resulting in faster load times.
- Delivered multiple full-stack projects during academic and professional tenure.
- Recognized for strong debugging skills and quick turnaround on issue resolution.

I am eager to leverage my technical expertise, problem-solving mindset, and passion for innovation to contribute to challenging projects and deliver impactful results. I look forward to collaborating with forward-thinking teams that value creativity, efficiency, and growth.

Let's connect to discuss how I can add value to your team's success.
